Dear Diogo

Many thanks for your time and collaboration answering the questions we have sent you related to the CNCFlora system. Jaime and Ricardo have made a lot progress but there are still a few aspects that they would like to discuss with you by skype.

¿Would it be possible for you or Ícaro to meet with us next Wednesday 5th October at 10am?

Saludos,

Carolina

Hello Diogo

Great, many thanks, we'll meet then next Wednesday. Ricardo has already sent you some of the questions we would like to discuss with you, and it would be very helpful for this meeting to be able to share screens in case it is necessary to check some elements of the system directly.

Saludos

Carolina
